**Part II Organizational Action** Attach additional statements if needed. See back of form for additional questions.

**14** Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ **For the 2015 tax year Global Income Trust (Taxpayer) paid monthly cash distributions to its common stockholders.**

**Of the total non-liquidating distributions made in 2015, 74.31% were in excess of Taxpayer's current and accumulated earnings and profits.**

**Distributions were payable to all common stockholder of record as of the close of business each day, payable monthly, until terminated or amended. The Board of Directors voted to suspend the cash distributions on common stock as of August 4, 2015.**

**15** Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ **74.31% of the value received will reduce the basis in your stock. As required, the Taxpayer provided Form 1099-DIV. You can refer to the Form 1099-DIV for specific information. The Taxpayer liquidated on December 31, 2015**

**16** Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ **Taxpayer's earnings and profits were calculated under the provisions of Internal Revenue Code (IRC) Section 312 and the Regulations thereunder. Amounts distributed in excess of the earnings and profits reduce the stockholder's basis in its shares to the extent of basis.**
