**What are your legal obligations to me when providing recommendations?**

CSC does not provide investment recommendations or advice. As part of our obligations, we must identify, disclose, and in some cases mitigate a situation when our interests conflict with yours. **Our interests will conflict with yours, at certain times.** We do not assist you with an investment decision regarding an amount invested or which CNL Program you invest in or to determine if this investment is appropriate for your overall strategy.

**For example:** When you choose to invest, we do not suggest you choose the CNL investment program that has the lowest cost, least risky, or best performing program. Review the conflicts disclosure document at <https://www.cnlsecurities.com/regbi.stml> where we explain how CSC meets our obligation regarding your best interests.

**How else does your firm make money and what conflicts of interest do you have?**

CNL Securities, operates as a wholesaling broker dealer, and does not receive compensation when you purchase shares of a CNL investment program through your Accommodation Account.

We *do not* provide recommendations. The way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect your investment. Here is an example to help you understand what this means.

Although you do not pay fees directly to CNL Securities, our affiliated CNL investment program managers, advisors and ultimately the parent company make money when you purchase shares of a CNL investment program. CNL Securities will be an indirect recipient of the fees you pay to the CNL investment program or other beneficial noncash items. For more detailed information on conflicts <https://www.cnlsecurities.com/regbi.stml>.

**If you ask:** How might your conflicts of interest affect me, and how will you address them? Please review the *Reg BI* conflicts disclosures document found at <https://www.cnlsecurities.com/regbi.stml>.

**How do your financial professionals make money?**

Accommodation Accounts that are opened do not compensate any individual CSC associated person(s.) Separate from the Accommodation Accounts, CSC wholesalers are paid a commission based upon number of shares purchased in CNL investment programs. These sales to investors occur through our third-party selling syndicate member, otherwise known as an introducing broker dealer or RIA.

**Do you or your financial professional have legal or disciplinary history?**

Yes, for the financial professionals and the firm. The firm missed a paperwork deadline. For a free and simple search please visit investor.gov or <https://brokercheck.finra.org>

**If you ask:** Has CSC had other disciplinary actions taken? No, we have not; however, we encourage you to seek ongoing information about CSC and our financial professionals, or any other financial professionals you will do business with at [investor.gov](http://investor.gov) or at <https://brokercheck.finra.org>.
